

AND WHAT MAKES GARDENGRIPS™ SO GREAT?

- Traction on uneven surfaces.
- Water and stain-resistant leather.
- Comfortable fit with flex panel on top and cushioned insoles.
- Soft liner to keep feet dry and comfortable.
- Composite shank for shovel work.

PLAY IN THE DIRT.

TAKE COMFORT IN YOUR GARDEN.

GET SERIOUS ABOUT YOUR COMFORT.

GardenGrips are engineered like your running shoes providing the highest comfort, support and traction in the yard and garden. They are as pretty as they are tough, so enjoy them while walking your dog, running your errands, and digging your garden.
